Material Options

(tick one)

- LDX 2101 Stainless
- Grade 304 Stainless
- SS370 Stainless
- Other or Mix (specify in notes)
- Hot Dip Galv. S275JR Mild Steel
- G600 Pre-Galv. S280 Mild Steel
- Other or Mix (specify in notes)

Note: The safe working loads in this catalogue only apply to SS370 & LDX 2101®. Some lintels will feature a mild steel structural section regardless of material chosen

SKETCH & NOTES (if required)

We draw your lintel based on this information & send it to you for type & dimensional approval prior to manufacture as a final check.
